**Eric Chumbley, South Kentucky RECC
200 Electric Avenue, Somerset, KY 42503
606-451-4179 or 606-872-0028**

KRUS was formed to bring safety professionals in the state together to discuss topics, share ideas, programs, policies, etc., specific to our industry. The purpose of KRUS is to promote safety in the electric utility industry. Their first meeting was held in February, 2000 with seven safety professionals in attendance. During the past 15 years, KRUS has grown to over 50 members from co-ops, municipals, and contractors who meet on a quarterly basis.

This event is the primary fundraiser to support the KRUS Scholarship Program that provides scholarships to graduating high school seniors and those currently enrolled in college that are immediate family members of a Kentucky Cooperative employee. Since the inception of the scholarship program in 2012, KRUS has awarded 61 scholarships totaling \$30,500.00.
